

NOVEMBER BLOCK OF THE MONTH

FLYFOOT (also called SWATSIKA)

This is a fairly easy block. You only need 2 colors, usually a light and dark. Since it is November, let's use oranges and browns-we will get a truly November quilt that way!

To make the block, you will need to make a total of eight flying geese- 4 with light geese and 4 with dark geese. Each "goose" component will be a 3-1/2" X 6-1/2" rectangle (will finish at 3" X 6"), with the finished block being a 12" block.

Construct geese and assemble according to diagram. Enjoy.
