

Abby's Treasure - *SUPPLY LIST*

Carol Vinnedge

I encourage you to use those 5" charm square collections to make a wonderfully scrappy and fast quilt. Since this quilt goes so fast, I have included 4 sizes of quilts for you to consider: Throw, Twin, Queen and King.

Medium to large scale prints will be the most effective.

Fabric:

Foreground - print squares, border and sashing

Throw: 106 charm squares or 6 fat quarters

Twin: 190 charm squares or 10 fat quarters

Queen: 260 charm squares or 13 fat quarters

King: 309 charm squares or 16 fat quarters

Background - neutrals (I used a combination of neutrals in the same color family)

Throw: combination or one cut to total 1 $\frac{1}{4}$ yds

Twin: combination or one cut to total 2 $\frac{1}{4}$ yds

Queen: combination or one cut to total 3 $\frac{1}{4}$ yds

King: combination or one cut to total 3 $\frac{3}{4}$ yds

Supplies:

Usual class tools, etc.
