

## Create a Critter Supply List

1. You will need a very clear color photo of the animal you are going to create. This pose will be the pose for your quilt. You may send me a copy of the photo if you are unsure that it will work. ([wellswildnwooly@aol.com](mailto:wellswildnwooly@aol.com))
2. Two clear enlarged copies of photo in black and white – 10 cent kind from a place like Print and Copy. The subject should be around 8” x 10” or 8” x 14”.
3. Two copies of enlarged print traced on tracing paper with ultra fine permanent marker ( outlines do not need to be highly detailed).
4. Extra tracing paper for “just in case”.
5. Ultra fine black Sharpie permanent marker
6. Many different fabrics that will blend (pattern and texture good – I also like batiks) in different values of each color on your animal.
7. Lite Steam –A-Seam 2 (can have it ironed onto back of some fabrics you are sure you want to use
8. Applique pressing sheet
9. Very sharp scissors (I like to use small Ginghers for this)
10. Pins
