Large selection of yarns with lots of texture. A company called the Weaving Edge*, has cards of yarn with 25 yards of yarn in various color ways. They work really well for the this projects, since there is a large selection that is color coordinated and go well with the batiks which is the fabric that I recommend.

5 Pearl cotton, a color that blends with you selection of yarn,

Straight pins with ball head on them (Lots of them)

Bobbin or Purple Thang Check with your local quilt shop for the Purple Thang

1 small pair of trimming shears

½ yd. of mid weight iron on interfacing such as pelon

5/8 yard of fabric that goes with the yarn you have selected

1 button for closure if you are choosing do make a little handbag.

*A Quilt of Many Colors In Leo, IN does carry them or you might go on line and check where they are sold. The company is located in Lancaster, N.H.

I will be bringing a foot long stick that is needed for the weaving and a prepared 9x12 piece of form core board for each student for which there will be a \$5.00 charge.

I will also have available 5 yard cards of yarn in various colors for sale for @ \$3.00 each.

Oh Yes! Please bring your creative spirit
