FROM THE PRESIDENT

Greetings, Appleseeders.

It looks like we've proven that we can adapt to a different style of guild meeting! The July meeting with Dave Sirota was a great success, thanks in large part to how well everyone embraced the change in our usual routine. We will do it all again in August with Rob Appell before returning to our traditional guild meeting format in September. Thank you to everyone who helped make the transition so smooth and successful.

No matter how you look at it, it has been an exciting summer. While it was far too hot and humid for me to spend much time outdoors during July, I made the most of my time inside by completing more quilting projects than I normally do this time of year. One of my recent projects has been creating table runners for our Promote Our Guild initiative. A wonderful committee has been working hard to develop this new venture, which will help bring the Appleseed Quilters Guild name and mission into the community. Be sure to look for the informative article later in this newsletter to learn more about this exciting effort.

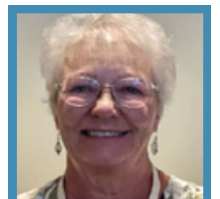

I am also delighted to share some exciting news from our Art Bee. The Art Bee's Ultimate Guild Challenge quilts have been juried into the AQS Grand Rapids Quilt Show! If you plan to attend the show August 19-22, be sure to look for these outstanding quilts and help celebrate the talented Appleseed members whose work will be on display.

As summer begins to wind down, our guild is gearing up for a busy and exciting fall. September brings us back to our regular meeting format. Also another September workshop and a Bus Trip! Thank you for everything you do to make Appleseed such a welcoming, creative, and vibrant guild. Whether you volunteer, attend meetings, participate in workshops, or simply share your love of quilting with others, you help make our guild stronger. I look forward to seeing all of you at our August meeting and wish you many happy hours of quilting until then!

Happy stitching,

Laura Jackson

President, Appleseed Quilters Guild, president@appleseedquiltersguild.com

MEMBERSHIP

What a wonderful meeting we had, and what a terrific speaker! Quilt Maven Dave will be a tough act to follow. A very special thank-you goes to our membership and greeting team—you truly knocked it out of the park. Together, we welcomed 128 attendees, including 4 new members and 10 guests, and everyone moved through quickly and warmly. We'll be ready to do it again next month! If you'd like to be part of this friendly team, please let me know. We'd love to have a couple more volunteers join us next month.

Next month, the guild will begin taking reservations for the Fall Festival. Because the Fall Festival takes place in October, at the start of our new guild year, you'll need to be a paid member for the upcoming year in order to register. Please bring your completed membership form and payment with you to the meeting. We'll be happy to accept cash, checks, or credit cards. Membership cards will be issued right away, so you can register for classes that day. If you've already registered, just stop by the nametag table to pick up your card—and don't forget to grab your nametag while you're there!

When you visit the nametag table, you'll find several members ready to welcome you, answer questions, show you around, and help you sign up for activities. They can also help you get connected to our Facebook pages or website. Please don't hesitate to stop by and say hello—they're friendly, knowledgeable, and always happy to help. See you at the table,

Vanessa Spencer, Membership Chair

BEE UPDATE

We have some changes in the Sew Bee It bee. They are now meeting at a new SW Fort Wayne location on the second Wednesday of the month beginning August 12th. The new location has easy access, great parking, and lots of tables, chairs, etc. There is a cost to rent the facility. Please contact Vanessa Spencer or visit the member's website for more information.

PROMOTE R GUILD

Appleseed Quilters Guild ~ Is launching a new initiative ~ PRG: Promote R Guild!

We want to let more people know about Appleseed!

Many people in our area still do not know who we are, what we do, or that we exist. To help change that, the Promote R Guild team hopes to host a community booth at local events, featuring signs, samples, small items for sale and lots of exciting information. The PRG team will enthusiastically promote Appleseed Quilters Guild, including our numerous philanthropies, learning opportunities, workshops, and guest speakers, to everyone they meet. They will also sell small, fun items to help spread the message that even though 'Granny Crafts' are trending...

"AQG is not your Grandma's quilt guild!"

Thank you to everyone who visited our table at the June Guild meeting to see the items we hope to sell as another way to build awareness and interest.

To make this initiative a success, we are looking for volunteers to make and donate the following quilted items:

- **Baby/Lap Quilts: Minimum size of 27" X 51"**
- **Table Runners: Minimum size of 34" X 15"**
- **Placemats (Set of 4): Minimum size of a 12" X 18" each mat.**
- **Game Quilts (e.g., Tic-Tac-Toe, Checkers): Any size! These are perfect for car trips, the beach, or vacations. Let us know if you need us to supply the game pieces!**
- **Quilted Tote Bags**
- **Quilted Large Bows: Minimum size of 20" X 27". Please use stiff interfacing so they stand out, keep their shape, and do not droop.**

If you have any questions about these items or specifications, please flag down any of the PRG committee members: Margaret Bruin, Julie Hart, Mickie Heath, Troy Landrum, or Jenna Winsett at the next meeting.

Thank you so much for your talent and support!

FALL FESTIVAL

Pillow Talk - Cutting, Cording & Zippers , Laura Jackson, Kit Fee: \$15

Create a beautiful custom pillow cover for an 18" pillow form while learning professional finishing techniques you can use in future projects. In this hands-on class, you'll learn how to:

- Cut pillow fronts and backs to minimize the "dog-ear" effect for a crisp, tailored finish.
- Make your own covered piping (cording) for any size cord.
- Install an invisible zipper for a polished, professional-looking closure.

All class materials are provided. Choose from four fabric collections for your pillow, and experiment with a variety of coordinating fabrics and three different cord sizes to create your custom covered cording. Quilted fabric and cording materials are included.

Kit Fee: A \$15 kit fee, payable directly to the instructor on the day of class, covers the 18" pillow form and the invisible zipper.

You'll leave class with a finished pillow and the confidence to recreate these techniques on future home décor projects!

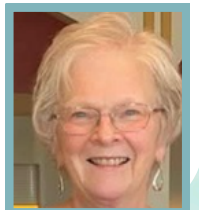

Foundation Paper Piecing, Marlene Sloat & Carolyn Pavelec, No additional fee

This class teaches the basics of foundation paper piecing (FPP) and is designed for beginners using Regina Grewe's ALL THINGS CHRISTMAS COLLECTION blocks. Learn the technique step by step and leave with a finished 18-inch block which can be made into a wall hanging, pillow, or tabletop. Warning: Don't listen to any mumblings about how hard FPP is or how tedious it is to remove the papers. FPP is the best method to stabilize pieces of fabric that will be stitched together, creating sharp, precise points and perfectly matched intersections. You will be provided with a picture of the block, the FPP pattern on Carol Hoak paper, fabric requirements, instructions on how to cut the fabric, and most importantly, step-by-step instructions on FPP.

If you've already used FPP and want to do your own creation in class, I'll send you pictures of the blocks in Regina's collection. Let me know which blocks you would like along with the size, and I'll send you the FPP blocks and fabric requirements. Hope to see you in October!

FALL FESTIVAL

Autumn in Applique - By Hand or Machine

Karen Rydman

Kit fee: \$30

Karen is excited to share her quilting knowledge with Appleseed quilters at our Fall Festival '26. Participants will learn the "delicate" art of applique, which includes both needle-turned and rough-edged techniques. The pattern kit in class will be completed with rough edged applique.

The four project design kits to choose from each include the pre-cut fabric, fusible (so you don't need to pin the pieces!), and the fabric for each project, as pictured. Each student's choice of project kit will be supplied during sign up and it will include the pattern and list of supplies needed.

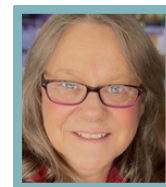

Karen Rydman loves sewing. She watched her mother make matching outfits as a little girl and learned sewing on that same old Singer Machine in the summer of 1960. The love for fabric and thread landed her a college job at the House of Fabrics, where she made sample clothing for the franchise for years. Part of her fun background is not only teaching sewing at House of Fabrics, which became Joann's, but also as a fabric rep and sewing instructor for Tillie Brendell's Stitch N Knits on Broadway in Fort Wayne. While her children were young, she also had an in-home alteration business for clients in the Ossian area.

Burst of Color

Tammy Miller

Kit fee: \$5

Don't let this dazzling design fool you-- this quilt is surprisingly easy to create! Using one 40-strip jelly roll and one 40-strip skinny roll, you'll transform beautiful fabrics into a striking 63 1/2 " x 63 1/2 " wall hanging before you know it. It may look like a puzzle worthy of a master quilter, but the magic is in how easily it comes together.

While you're welcome to choose any color palette that makes your heart happy, solid fabrics create the boldest, most eye-catching illusion. Come stitch, play with color, and discover just how fun "easy" can look!

FALL FESTIVAL

String Along, Vickie Sitz and Sybil Magrill , No additional fee

A string quilt is a vibrant, scrappy design made by sewing long, narrow strips of fabric (strings) onto a foundation. Originating from resourcefulness during times like the Great Depression, this forgiving technique is an ideal way to use up fabric scraps and turn them into unique, colorful quilt blocks.

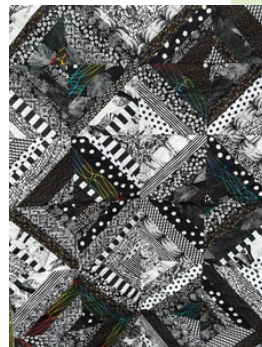

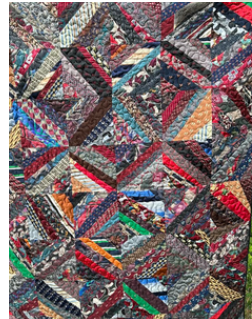

The foundation is usually muslin, flannel, or any light colored fabric you want to use up. Important to pre-wash and dry the foundation fabric to pre-shrink, because the foundation fabric stays in the quilt. The foundation can also be paper that is removed before the top is sewn together.

The strings can be a scrap buster, using up old, leftover fabric strips. The strings can also be men's ties. If using men's ties, prep work is required in advance of class. The strings are usually vibrant and varied, but this quilt is also fabulous in two colors or monotone.

Finished block sizes can be 9", 6", 4" or anything in between. The foundation squares are cut slightly larger so each block can be trimmed/squared as it is finished. A square rotary ruler can be very helpful to trim the finished blocks.

Consider the square rotary rulers you already have on hand when determining your block size.

Three ironing stations, two cutting stations, and extension cords will be provided for the classroom. You will need to bring a sewing machine and general sewing supplies, foundation fabric (or paper), and strip fabrics. This will be a fun, low-stress, easy class, appropriate for all skill levels. Join the fun!

COMMUNICATIONS CORNER

If anyone has a connection with a local printing company that does their own printing in house (no shipping fees) and might give us a good deal as a non-profit, would you please message or text me? I am also looking for a connection to a Billboard company. We have heard they often have very good deals for one month displays for local nonprofit groups. Again, please message or text me. If anyone has expertise in designing logos, graphic arts, or is a drawing artist, would you please contact me?

Questions? Vickie Sitz, Communications Chairperson can be reached at communications@appleseedquiltersguild.com.
