CHANGES IN SEASON II

Teacher – Carol Miller

Come Join The Flock!

Flock of flying geese, that is. Join me in creating your own Changes in Season II quilt by Scott Flanagan of 4th and Main Designs. Scott designed the pattern and the fabrics for this quilt. It's 60" by 86", so it just might be the perfect size for a special man in your life as a Christmas gift. Scott's fabrics are an unusual mixture, and the Flying Geese blocks have a fun but easy twist to them! Most of the blocks are 5.5-inch squares, so the sewing flies along fast! (Yes, pun intended.) Plus, you will be quilting for a cause. Scott has Spasmodic Dysphonia, and 10% of all sales of this fabric collection and the pattern will be donated to support Dysphonia International research into treatment and cures. Edwards does have Scott's fabrics from this collection in stock. This quilt would look absolutely terrific in autumnal colors from your own stash, if you prefer. If you do decide to join us in this class, I recommend that you do not cut the quarter square triangles ("D" in the pattern) from each of the assorted prints until we meet for the class.

There will be a charge of \$12 for the pattern, payable at time of class.

COLLAGE CLASS
