

Programs is excited to announce that we have a National Speaker booked for our March, 5, 2024, guild meeting! We will welcome Diane VanDiver as our speaker/trunk show presenter. Diane will also be teaching a workshop on Tuesday during the day.

About Diane VanDiver

After making her first quilt in 1997, Diane was hooked! In 2012, and more than 100 quilts later, Diane created the pattern company and website called Butterfly Threads Quilting. She has published dozens of patterns, created templates, and was a regular contributing writer to the Craftsy Quilting website for 5 years. Since 2015, Diane has been traveling the country teaching quilt techniques and sharing her love of scrap quilts! Her two books Scrap Quilt Secrets and Strip Quilt Secrets have both been published by C&T. Diane designs fabric for Blank Quilting Fabrics and enjoys longarming on her HQ Amara.
